NORTHERN CALIFORNIA
VOYAGERS CLUB

NORCAL VOYAGERS

We Ride For Fun!

WHO ARE WE?

We are a chapter of the American Voyager Association. Although we are admittedly somewhat partial to the Kawasaki Voyager motorcycle, we do have other brands and models in our club. We accept members that ride any brand & make of motorcycle. We do however get a little picky about the riders sometimes. ☺

We have a large Californian-based club membership, but don't let that limit your chance to ride with our club! We have many members from other states as well.

We stay in contact via a monthly newsletter and information contained on our web site: www.norcalvoyagers.org

Many of our past events are documented on the web site, with photos and write-ups by our members.

SPECIAL EVENTS

We attend the American Voyager Association (AVA) rally every year. This rally is sponsored by the AVA with assistance from some of the chapters. The rally is held in July or August and the state that hosts the rally is changed each year. This rally is partly sponsored by Kawasaki.

We also try to have our NorCal Annual 7 to 10 day ride, every September after school starts. Our rides have taken us to Oregon and Washington states. This is a great way to see parts of the country.

WHEN DO WE MEET?

We hold regular business meetings every other month; usually on the last Saturday of the month. We meet at the Perko's Restaurant in Manteca, Ca. Our meetings don't usually last very long (hour or less) because we're more interested in enjoying the company than making it like a business.

As a Club, we schedule monthly events that interest our membership. We have camped out at many beautiful California locations, as well as toured historical sites. Always check the web site to be sure of the exact location and time of meetings. We schedule our events annually, so there are always a full variety of club activities.

Most of our events consist of camp outs through out the state, but we try to camp close enough to motels for the members who do not camp to participate in the event.

NOTICE

You do not have to be a member of this club to participate in our events, we love company and you are invited to come along anytime you desire.

Riding with a club is the best of both worlds. You get to be with your friends and you get to ride a motorcycle – what could be better than that?
