## NCVC Newsletter

You have something you want to see in the NorCal Voyagers Newsletter??? Send it along to [news@norcalvoyagers.org](mailto:news@norcalvoyagers.org) and we'll get it in the next issue. You can also send articles to any board member in the club and they will get it to the editor.

We're especially interested in doing personal stories about our members. You don't have to go into a lot of detail, but knowing a bit about our members goes a long way towards a more enjoyable friendship. Get those pictures, campfire stories, and humorous biking experiences out and send them off to the editor for the next newsletter!

## Useful Internet Links

Here are some web pages that may be useful to our club members:

## Club Info and Activities

### PRESIDENT'S MESSAGE

By Ray Walls, NCVC President

Hello NCVC members & friends. Here it is July already and as you well know, the news letter is a few days late already. And this one you can also blame on me. I have had one hell of a last two weeks, My DSL modem went out on me on the 23rd and I was out of commission until yesterday the 3rd of July. Then my mother in-law went into the hospital on the morning of the 25th @ 0130. She was complaining of throwing up and wanted to go to the emergency room. We just thought it was the stomach flue that's been going around. To make a long story short, everything went down hill from there. She passed away at 3:30 pm on the 3rd. We will miss her very much. She was a very sweet lady.

June was a pretty slow month until this happened. I have cancelled the July camp out due to the death of my mother in-law. I just have too much on my plate at this point in time to mess with a camp out. Hopefully we can make up for this one in August over on the North Coast where it will be nice and cool.

The Nor Cal Voyagers wasn't very well represented at the AVA rally; we only had three members make it. I wanted to go, but I was afraid my back wouldn't stand the long days in the saddle. I tried to get Betty to go with me in the van, but she wouldn't go if she had to ride in the car that far. And as it turned out, we couldn't have gone anyway. I sure hope Wayne, Don & Trisha enjoy the rally. I talked to Don about three days ago and they were to pick up Trisha's trike the next day. So I'm going to assume she had an enjoyable trip to the rally and back home.

I have ordered a new club polo shirt and will bring it to the meeting with me to show everyone what it looks like and we will have a

poll to see how many likes it & how many don't. Then we will go from there.

I sure hope its cooler where all of you are then what it is here. It's now 12:08 pm and it's 103deg outside and by tomorrow it will be 112 deg. Sounds like a good time to sit under the AC. We have a new member who will be handing in his membership app at our July meeting. Also I would like to see as many of you as possible show up at this meeting. We will be celebrating the clubs 7th anniversary. I have ordered a cake large enough to feed at least 25 people or more, so get your butts out there and help us eat the darned thing.

That's about all I have for now, except to say if it's real hot on the 28th, then come in your car, after all that's what you bought it for isn't it? Cheers.

## WINDSHIELD COVERS

By Jim Tinlin, NCVC Webmaster

Our president, Ray Walls, forwarded me some information concerning a product that someone offers. I thought I'd invest some time and see what it was about and this is the response I received via email:

Thank you for your interest in my windshield covers. I only have them in white. I have enclosed a picture of my covers. I can adjust the size if someone wants a different size. The ones I have made fit the 5x5 windshield for the Voyager and the Gold wing one fits a standard windshield. I charge \$25.00 and I will ship it priority mail in the U.S.A. I only accept money orders and as soon as I receive the money order I ship it out the next day. I will notify the person when I ship it by e-mail. My work is guaranteed so if for any reason someone does not think it is a good product then ship it back to me and I will return their money. Thanks again for your interest.

I then received the follow up response via email:

Well I thought I would make you a deal for your club members if they are interested in my windshield covers. If you order at least 6 of my covers and have them all shipped to one address I will take 10% off of the total price. I just thought I would throw this idea your way in case anyone in your club would like one and wants to save a little money. Have a great day.

If anyone is interested, I'd be glad to take the orders and see if we can get the discount. Just leave email to me at [webmaster@norcalvoyagers.org](mailto:webmaster@norcalvoyagers.org) and I'll see if we have enough interest. Thanks!
